# KEM & KIRUM Healthy Cocktails Menu

*Refreshing and revitalising cocktails, crafted with Cambodia's finest natural ingredients.*

*KEM & Kirum blends combine the health benefits of **KEM Probiotics** and **Kirum Kampot Pepper Herbal Teas**.*

***KEM Probiotics** come from the natural fermentation of *Moringa Citrifolia* (Noni) in the coastal region of Kampot, renowned for its pristine environment. These probiotics support gut health, boost immunity, and promote overall vitality.*

***Kirum Kampot Pepper Herbal Teas** are certified organic and protected by an international patent for their detoxifying properties. The herbal infusions offer a range of health benefits, including improved digestion and enhanced well-being.*

- **Ginger Vitality:** A zesty blend for a boost of energy.
- **Lemongrass Digestion:** Helps digestion and promotes gut health.
- **Curcuma Hepatic Protection:** Supports liver functions and detoxification.
- **Orthosiphon Slimness:** Helps with weight management and promotes healthy metabolism.
- **Moringa & Citrifolia Healthy Life:** A classic combination for overall wellness.
- **Jasmin Relaxation:** A calming and soothing drink for stress relief.
- **Origin Detox:** A powerful blend to support detoxification, cleansing the body.
- **Kemito:** Combination of all the benefits listed above.
