KEM & KIRUM HEALTHY COCKTAILS

Crafted with Cambodia's finest natural ingredients, Confirel's cocktail blends combine the health benefits of KEM Probiotics and Kirum Kampot Pepper Herbal Teas.

KEM Probiotics come from the natural fermentation of *Morinda Citrifolia* (Noni) in the coastal region of Kampot, renowned for its pristine environment. These probiotics support gut health, boost immunity, and promote overall vitality.

Kirum Kampot Pepper Herbal Teas are certified organic and protected by an international patent for their detoxifying properties. The herbal infusions offer a range of health benefits, including improved digestion and enhanced well-being.

Ginger Vitality: A zesty blend for a boost of energy.

Lemongrass Digestion: Helps digestion and promotes gut health.

Curcuma Hepatic Protection: Supports liver functions and detoxification.

Orthosiphon Slimness: Helps with weight management and promotes healthy metabolism.

Moringa & Morinda Citrifolia Healthy Life: A classic combination for overall wellness.

Jasmine Relaxation: A calming and soothing drink for stress relief.

Origin Detox: A powerful blend to support detoxification, cleansing the body.

Kemito: Combination of all the benefits listed above.

All Healthy Cocktails are caffeine-free.
